VILLAGE OF NAKUSP

MUNICIPAL NEWSLETTER
November & December 2025

Volume 4 Edition 6

WINTER PREPARATION

Winter is coming. To prepare, the Village is asking everyone to maintain the shrubs and trees along the boulevards next to your property by trimming them back to provide clear sightlines for pedestrians, drivers and our snow plows.

Please remove any vehicles or items stored on the boulevards by November 21st, 2025. Crews will use boulevards to store snow removed from streets throughout the winter. Anything left on the boulevards after this date may be removed by the Village at your expense.

Thank You!

Thinking about the Holidays?

Don't forget about our Stocking Stuffers Christmas Pack: 5 swim passes for \$50.00.

The Nakusp Hot Springs is sad to announce that Full Moon Dips will not return this year.

SIDEWALK SNOW CLEARING

It is the responsibility of the property owner/occupant to clear snow from sidewalks in front of your home or business. From time to time, the Village may clear snow from sidewalks to supplement owner/occupants' snow-clearing efforts, but this is only a courtesy and not something to rely on.

Failure to provide snow clearing on the sidewalk in front of your home or business may result in enforcement action.

BROADWAY STREET MEMORIAL BENCHES

The Village has two memorial benches available for sponsorship along Broadway. Please get in touch with us at info@nakusp.com, using the subject line "Broadway Memorial Benches" for more information.

WHICH ICE MELT TO USE?

Ice melt products containing Calcium Magnesium Acetate (CMA) or Magnesium Chloride protect concrete and are safer for pets and the environment. **Do not use** Rock Salt; this is a bylaw offence.

Please note that with all ice melt products, applying excessive quantities does not enhance their effectiveness and may lead to unnecessary environmental impact. Following the manufacturer's recommended application rates not only ensures cost-effective use but also minimizes potential harm to nearby vegetation, water bodies, and infrastructure.

We appreciate the Community's assistance in keeping our sidewalks safe during winter. Thank You!
