Responsibility For Financial Reporting

Management is responsible for the preparation of the accompanying consolidated financial statements. The financial statements have been prepared in accordance with Canadian public sector accounting standards and include amounts that are based on estimates and judgments. Management believes that the financial statements fairly present the Village of Nakusp's consolidated financial position and results of operations. The integrity of the information presented in the financial statements, including estimates and judgments relating to matters not concluded by fiscal year-end, is the responsibility of management. The financial statements have been approved by Council.

Management has established and maintained appropriate systems of internal control including policies and procedures, which are designed to provide reasonable assurance that the Village of Nakusp's assets are safeguarded and that reliable financial records are maintained to form a proper basis for preparation of the financial statements.

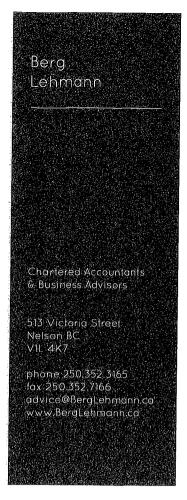

The independent external auditors, Berg Lehmann, Chartered Accountants, have been appointed by Council to express an opinion as to whether the consolidated financial statements present fairly, in all material respects, the Village of Nakusp's financial position, results of operations, and changes in financial position in accordance with Canadian public sector accounting standards. The report of Berg Lehmann, Chartered Accountants, follows and outlines the scope of their examination and their opinion on the consolidated financial statements.

INDEPENDENT AUDITORS' REPORT

To the Mayor and Council Village of Nakusp

We have audited the accompanying consolidated financial statements of Village of Nakusp, which comprise the consolidated statement of financial position as at December 31, 2012, and the consolidated statement of operations, consolidated statement of changes in net financial assets and consolidated statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Village's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Berg Lehmann Charlered Accountants & Business Advisors 513 Victoria Street Nelson BC V1L 4K7 phone 250.352.3165 fax 250.352.7166 advice@BergLehmann.ca www.BergLehmann.ca

INDEPENDENT AUDITORS' REPORT (continued)

To the Mayor and Council Village of Nakusp

Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the Village of Nakusp as at December 31, 2012, and its financial performance and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

1. SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies of the Village of Nakusp.

Basis of Presentation

The consolidated financial statements of the Village of Nakusp (the Village) are the representations and responsibility of management. They have been prepared in accordance with Canadian public sector accounting standards as established by the Public Sector Accounting Board of the Canadian Institute of Chartered Accountants.

Budget information has been aggregated to comply with these reporting standards.

Basis of Accounting

The resources and operations of the Village are segregated into various funds for accounting and financial reporting purposes, each being treated as a separate entity with responsibility for the stewardship of the assets allocated to it. The Village has general, water and sewer operating and capital funds. The Village also has reserve funds that have been established for specific future requirements. The use of these funds is governed by the Community Charter and Municipal resolutions and by-laws. All interfund transfers have been eliminated. Supplementary statements for each fund on a segregated basis have been presented under "Other Financial Information".

Items recognized in the financial statements are accounted for in accordance with the accrual basis of accounting. The accrual basis of accounting recognizes the effect of transactions and events in the period in which they occur, regardless of whether there has been a receipt or payment of cash or its equivalent. Liabilities are recognized until the obligation or condition(s) underlying the liability is partly or wholly satisfied. Assets are recognized until the future economic benefit underlying the asset is partly or wholly used or lost.

Investment in Government Business Enterprise

The Village's wholly owned subsidiary, the Nakusp & Area Community Forest Inc. (NACFOR), is a government business enterprise, accounted for using the modified equity method. Under this method, the business enterprise's accounting principles are not adjusted to conform with those of the Village. The equity income for the year is recorded as revenue in the Village's consolidated statements of operations and the investment in NACFOR is adjusted accordingly.

Cash & Equivalents

Cash and equivalents include liquid investments with maturities of three months or less at acquisition.

Investments

Investments are recorded at cost with the exception that Municipal Finance Authority (MFA) Pooled Investment Funds are recorded at market value. The carrying value of investments is reduced to their net realizable value if in management's opinion there is a permanent decline in value.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Non-financial Assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. Non-financial assets include tangible capital assets, inventory and prepaid expenses.

Tangible capital assets, comprised of capital assets and capital work-in-progress, are recorded at cost less accumulated amortization and are classified according to their functional use. Amortization is recorded on a straight-line basis over the estimated useful life of the asset commencing the year the asset is put in to service. Estimated useful lives are as follows:

| not amortized |
|----------------|
| 15 to 50 years |
| 5 to 20 years |
| 5 to 20 years |
| 3 to 5 years |
| 5 to 25 years |
| 15 to 50 years |
| |

Contributed tangible capital assets are reported at fair value at the time of donation and are also recorded as revenue.

Deferred Revenue

Funds received for specific purposes which are externally restricted by legislation, regulation or agreement and are not available for general municipal purposes are accounted for as deferred revenue on the consolidated statement of financial position. The revenue is recognized in the year in which it is used for the specified purpose.

Revenue Recognition

Municipal Property Taxation

Taxation levies for Village services are recognized as revenue at the time of issuing the property tax notices for the fiscal year. Taxation levies imposed by other taxing authorities are not included in these statements.

Fees and Charges (including permits and licences)

Fees and charges are recognized as revenue when the service or product is provided by the Village. Fees include charges for water and sewer usage.

Government Transfers (conditional and unconditional grants)

Unconditional transfer revenue is recognized when it has been authorized by the transferor. Conditional transfer revenue is recognized when the transfer has been authorized by the transferor and the Village has met all the eligibility criteria, unless the transfer creates a liability (conditions on the use of the funds that have not yet been fulfilled by the Village). Conditional transfers for capital expenditures revenue are recognized when eligible expenditures are incurred by the Village.

1. SIGNIFICANT ACCOUNTING POLICIES (continued)

Budget Figures

The budget figures are based on the Five-Year Financial Plan for the year 2012, per bylaw #641 adopted May 9, 2012.

Financial Instruments

The Village's financial instruments consist of cash, short-term investments, accounts receivable, accounts payable, capital lease obligation, and long-term debt. It is management's opinion that the Village is not exposed to significant interest, currency, or credit risks arising from these financial instruments. The fair values of these financial instruments approximate their carrying values.

Use of Estimates

The preparation of financial statements in accordance with generally accepted accounting principles, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Significant areas requiring estimates include the useful live of tangible capital assets for amortization, the determination of accrued liabilities and the provision for contingencies. Actual results could differ from management's best estimates as additional information becomes available in the future.

4. MUNICIPAL FINANCE AUTHORITY (MFA) DEBT RESERVE DEPOSITS

The Municipal Finance Authority of British Columbia ("MFA") provides capital financing for regional districts and their member municipalities. The MFA is required to establish a Debt Reserve Fund. The MFA must then use this fund if at any time there are insufficient funds to meet payments on its obligations; this event has not occurred since the inception of MFA in 1970. If this occurs, the regional districts may be called upon to restore the fund.

Each regional district, through its member municipalities who share in the proceeds of a debt issue, is required to pay into the Debt Reserve Fund certain amounts set out in the financing agreements. The interest earned on the Debt Reserve Fund Cash Deposit, less administrative expenses, becomes an obligation of MFA to the member municipalities through the regional districts. Upon the maturity of a debt issue, the unused portion of the Debt Reserve Fund established for that issue will be discharged to the municipality, including interest earned. Use of the Cash Deposit is restricted by legislation. The detail of the cash deposits and demand notes at year end are as follows:

| | Dem | and Notes | Cas | sh Deposit | S | 2012 | 2011 |
|----------------------------|-----|------------------|-----|----------------|----|------------------|------------------------|
| General Fund Sewer Fund | \$ | 24,927 14,181 | \$ | 9,209 7,366 | \$ | 34,136 21,547 | \$ 33,866 21,331 |
| | \$ | 39,108 | \$ | 16,575 | \$ | 55,683 | \$ 55,197 |

Only the cash portion of the Debt Reserve Fund is reported in the financial statements.

5. INVESTMENT IN NAKUSP & AREA COMMUNITY FOREST INC. (NACFOR)

NACFOR is a wholly owned subsidiary that was created for the purpose of managing a timber license in the Nakusp area. The Village accounts for its investment in this government business enterprise using the modified equity method. The condensed financial information of this investment for the year ending December 31, 2012 with comparative figures for December 31, 2011 are as follows:

| Assets | December 31, 2012 | December 31, 2011 |
|---|----------------------|-----------------------|
| Current assets Long-term assets (logging roads) | \$ 1,043,584 | \$ 162,982 146,157 |

Federal gas tax funding is provided by the Government of Canada and use of the funding is restricted by the terms of the funding agreement between the local government and the Union of British Columbia municipalities. Gas tax funding may be used towards certain public transit, community energy, water, wastewater, solid waste and capacity building projects, as specified in the funding agreement.

| | Total Accumulated Surplus | | | \$ ' | 16,405,775 | \$ 14,964,409 | |

The Unappropriated Surplus is the amount of Accumulated Surplus remaining after deducting the other appropriated surplus balances (see below). It is available to temporarily finance operations until planned revenues (i.e. property taxes, grants etc.) are received, or for other operating or capital purposes as determined by Council.

10. ACCUMULATED SURPLUS (continued)

The Statutory Reserves are Accumulated Surplus that has been set-aside by decision of Council for a specified purpose. The Statutory Reserves have been established by bylaw in accordance with the Community Charter and their use is restricted by the legislation. In the normal course of operations, these funds will be used to finance the future services or capital works for which they have been appropriated.

The Investment in NACFOR is equal to the NACFOR investment value on an equity basis. In the normal course of operations this investment will not be available to finance operations, but will be maintained in support of the purposes of the investment.

Investment in Tangible Capital Assets is equal to the tangible capital assets less related long-term debt. In the normal course of operations the non-financial assets will not be available to finance operations, but will be used to provide services, and the debt will be repaid by future period revenues.

11. CONTRIBUTED TANGIBLE CAPITAL ASSETS

For the year ended December 31, 2012, the Village's work-in-progress tangible capital assets include contributions with a total cost of \$221,570 for the expansion of the Centennial Building. These contributed tangible capital assets are made through the fund raising efforts of the Arrow Lakes Historical Society, a tenant of the building.

| 12. EXPENDITURES BY OBJECT | 2012 | 2011 |
|--|--------------|-------------------|
| | 2012 | 2.0 () |
| Interest and bank charges | \$ 48,980 | \$ 39,503 |
| Goods and services | 1,082,095 | 1,225,746 |
| Wages and benefits | 1,491,674 | 1,501,060 |
| Amortization of tangible capital assets | 623,894 | 587,473 |
| Less labour included in tangible capital additions | (16,908) | <u>(47,195</u>) |
| Total operating expenditures | \$ 3,229,735 | \$ 3,306,587 |

13. PENSION LIABILITY

The Village and its employees contribute to the Municipal Pension Plan (the Plan), a jointly trusteed pension plan. The Board of Trustees, representing plan members and employers, is responsible for overseeing the management of the pension plan, including investment of the assets and administration of benefits. The pension plan is a multi-employer contributory pension plan. Basic pension benefits provided are defined. The plan has about 176,000 active members and approximately 67,000 retired members. Active members include approximately 35,000 contributors from local governments.

13. PENSION LIABILITY (continued)

The most recent actuarial valuation as at December 31, 2009 indicated an unfunded liability of \$1,024 million for basic pension benefits. The next valuation will be as at December 31, 2012 with results available in 2013. Defined contribution plan accounting is applied to the Plan as the Plan exposes the participating entities to actuarial risks associated with the current and former employees of other entities, with the result that there is no consistent and reliable basis for allocating the obligation, Plan assets and cost to the individual entities participating in the Plan.

The Village paid \$93,208 (2011 - \$87,904) for employer contributions to the Plan in fiscal 2012.

14. COLLECTION FOR OTHER GOVERNMENTS

The Village collected and remitted the following taxes on behalf of other Governments.

| Provincial Government - School Taxes | \$ | 663,922 |
|---|------|-----------|
| Provincial Government - Police Tax Levy | | 70,827 |
| Regional District Central Kootenay | | 383,720 |
| Regional Hospital District | | 50,453 |
| British Columbia Assessment Authority | | 15,518 |
| Municipal Finance Authority | | 48 |
| | \$ - | 1.184.488 |

These amounts are not included in the Village's revenues and expenditures in the financial statements.

15. BUDGET RECONCILIATION

The following reconciles the budgeted surplus as shown on the consolidated statement of operations to the budget as presented in bylaw #641 adopted May 9, 2012.

| Budgeted surplus as presented | \$ 1,900,754 |
|------------------------------------|--------------|
| Proposed borrowing proceeds | 400,000 |
| Budgeted transfers from reserves | 221,000 |
| Budgeted transfers to reserves | (111,442) |
| Amortization | 575,000 |
| Budgeted debt principal payments | (61,234) |
| Budgeted capital expenditures | (3,063,331) |
| Budgeted use of prior year surplus | 163,301 |
| Budgeted increase in surplus | (24,048) |
| | \$ - |

16. CONTINGENT LIABILITIES

Regional District Debt

The Village, as a member of the Regional District of Central Kootenay, is jointly and severally liable for the future capital liabilities of the Regional District. The loan agreements with the Municipal Finance Authority provide that if the Authority does not have sufficient funds to meet its payments and obligations, it shall make payments from the debt reserve fund which is in turn established by a similar debt reserve fund of the Village and all other borrowing participants. If the debt reserve fund is deficient, the Authority's obligations become a liability of the Regional District, and may become a liability of the participating municipalities.

17. CEMETERY CARE TRUST FUND

The Village operates the Catholic, Hillcrest, Women's Institute, Glenbank, and Legion cemeteries and maintains a Cemetery Care Fund in accordance with the Cremation, Interment and Funeral Services Act and related Regulations. In accordance with Act and Regulations, the Village must transfer a specified minimum percentage of certain cemetery fees into the Cemetery Care Fund. The resulting equity balance in the fund is restricted in use; interest earnings are available to the Village to fund ongoing maintenance of the cemetery as required.

The condensed financial information for the period ended December 31, 2012 with 2011 comparative figures are as follows:

| | 2012 | 2011 |
|--|------------------------|----------------------|
| Assets Short-term investments Accrued interest | \$ 28,443 18 | \$ 26,236 310 |
| Equity | \$ 28,461 | \$ 26,546 |
| Operations Contributions Interest | \$ 1,550 <u>365</u> | \$ 1,549 1,116 |
| Change in equity | \$ 1,915 | \$ 2,665 |

The Cemetery Trust Fund is not included in the Village's financial statements.
