Snow Removal Reminders

Residents are asked to stay clear of snow clearing equipment, please give our operators at least 30m (100ft) of room when working.

Per Village Bylaw 496 residents may not park on the roadside from November 15th – April 1st, vehicles impeding snow clearing may be towed. Please keep the boulevards and alleyways clear of materials and never put snow on the street unless you have approval from Nakusp Public Works.

Do not approach machinery or trucks, if you need to speak with someone please call,

Public Works at 250-265-3556.

EMERGENCY MANAGEMENT

Smoke Alarms are recommended to be installed on every level of your home, including outside each sleeping room and in each sleeping area; always close bedroom doors.

Test all alarms once a month and change batteries once a year or when the alarm chirps. All smoke alarms need to be changed when they are 10 years old.

If using space heaters make sure they are a safe distance from all flammables and not overloaded circuits.

Plan and practice a fire escape. Be fire safe.

ALWAYS PHONE 911 immediately

when fires happen as minutes and sometimes seconds count.

Your local public notification system, VoyentAlert!, has recently launched a software update which allows users to receive alerts from multiple areas/organizations. If you were previously signed up to VoyentAlert! through the RDCK, or the Village of Nakusp, your account has been automatically merged to receive all notifications for your designated area. You can now also sign up to receive notifications from additional areas by logging into your account and adding new areas. If you haven't already signed up for VoyentAlert! this is the perfect time to start receiving notifications of important local events and emergency alerts. You can stay up-to-date on everything from road closures to power outages to changes in garbage pick-up schedules.
