SERVICE/DATE: TURN ON: _____ TURN OFF: _____ LOCATE: _____

FEES:

- **NEW CONSTRUCTION** – Temporary Water turn on will be provided for construction purposes only for a fee of \$480.06, for one year only. Water will then be turned off, if no permanent service has been requested, or Occupancy Permit issued. The Owner or Contractor will be required to apply for an additional temporary water service if required.
- **EXISTING SERVICE** – Fee for temporary turning water off or on is \$52.50, payable in advance
- **LOCATION OF SERVICE** – Fee for Location of service \$80.00, payable in advance

NOTE: Temporary turn off of service does not result in discontinuance of the annual water rate charges, as the Village does not have meters, and the cost of the service is for maintenance and capital costs, in addition to the cost of the delivery of water in the pipes.
