

**VILLAGE OF NAKUSP
JOB POSTING
PUBLIC WORKS OPERATOR
(1 Position Available – 40 Hours Per Week)**

The Village of Nakusp is situated on Arrow Lake and is home to the Nakusp Hot Springs. We boast unparalleled, year-round recreation opportunities and a friendly community with all of the amenities a person or family needs. Nakusp is an enviable location for anyone wanting to excel in a rewarding career, yet simultaneously enjoy some of the best outdoor recreation areas in BC. Nakusp has reasonably priced housing options, especially when compared to most other locations in British Columbia.

As the Level 2 Operator, you will share the responsibility for the ongoing maintenance and operation of the Village's Potable and Waste Water Treatment Systems. However, being a small community, you can expect to be involved in other work that includes year-round tasks such as road maintenance, infrastructure installation and repairs, and capital projects. To qualify for this opportunity, you will have a multi-utility level 2 certification for Water Treatment and Distribution and Waste Water Treatment and Collection – or equivalent. The Village may consider candidates with the full suite of multi-utility level 1 certification; however, they will be hired as a Level 1 Utility Operator; training will then be provided to achieve level 2. Candidates with higher qualifications will have an advantage over other candidates.

This position is governed under the CUPE Local 2450 Collective Agreement. The Village provides you with competitive employment benefits, including but not limited to a medical plan, paid vacation, and automatic enrollment in the municipal pension. This position is 40 hours a week, and the regular rate of pay is \$38.84/hr. On-call work (rotation) is required.

A Criminal Record check will be required.

Please forward your resume to the Village of Nakusp, Box 280, Nakusp, BC, V0G 1R0, or e-mail operations@nakusp.com. This position will remain open until filled. Further information is available through the Village Office.

The Village thanks all who apply; however, only those chosen for interviews will be contacted.
